<u>Nick Bushby</u>

+44 7323 90740 70 Broadlea Terrace Leeds, UK LS13 2SQ

Personal Statement

Having previously worked in hospitality I have recently developed a passion for all things web design and development. Over the last year I have used my spare time to learn valuable web development skills from various books and online courses. I am currently seeking freelance work and junior positions and am eager to advance my skills.

Skills

HTML

CSS

JavaScipt

jQuery

Sass

WordPress

PHP

Interests

In my spare time I enjoy advancing my web development skills, reading, film, football and going to the gym.

Experience

Freelance Web Development

2015 - Present

Over the past year whilst learning and advancing my web development skills I have undertaken several projects for others, as well as building my own <u>personal site</u>.

These projects included creating and maintaining sites with HTML, CSS and Sass; using JavaScript and jQuery to add interactivity; familiarising myself with the Bootstrap frontend framework; and creating and customising sites using the popular CMS WordPress.

Tiger Tiger Leeds

2009 - Present

During my time here I have developed valuable skills including interacting and dealing with customers and supervising and training others behind the bar. I also work closely with the Bars Manager to ensure stocks are recorded accurately and carry out important administrative tasks on

Education

Treehouse Online Courses

2015 - Present

Since 2015 I have been signed up to Treehouse, an online web development learning resource that has allowed my to learn, and continue to develop essential web development skills. The open and friendly community there also allows me to draw on the experience of others, as well as use my knowledge to try to help others.

Academy of Contemporary Music

2006 - 2008

During my time at the ACM I gained a BTEC National Diploma and Higher National Diploma in Popular Music Performance.

Graveney School

1997 - 2004

Three grade A - C A-levels in Psychology, English Literature and Computing.

Nine Grade A* - C GCSEs including English, Maths and Science.
